Have you had an extraordinary experience here?

Show your support by giving to the Nurse Managed Health Center, the Speech-Language-Hearing Clinic, or the Physical Therapy Clinic. You can even make a donation in honor of the great service you received from one of our caregivers.

Your donation helps provide comprehensive health and wellness services to the community while offering hands-on training opportunities for our students.

— Dean Kathleen S. Matt, PhD

Shooting for the stars…

- Supporting hands-on education through clinical services available to the community
- Enhancing the development of team-based healthcare
- Meeting the challenges in workforce development and healthcare delivery
- Supporting your quality of life and that of your community
- Bringing best practice initiatives to frontline care delivery in Delaware
- Facilitating research designed to improve health outcomes

Invest in a healthy future

Your support helps us offer state-of-the-art healthcare while also training our students.
